

A globe of Earth is centered in the image, showing the continents of Africa, Europe, and Asia. The globe is set against a dark blue background with a faint network of white lines and dots, suggesting a global network or digital connectivity. A white megaphone icon is positioned on the left side of the globe, pointing towards the center. The text "VOLUNTEER!" is written in white, bold, uppercase letters next to the megaphone icon. The main title "Connecting YOUR Network of GIS Professionals" is written in a large, white, bold, sans-serif font, curving around the globe. The word "YOUR" is in a smaller font size than the other words in the title.
